\* Becomes a wight = Is killed and becomes part of the mindless zombie-like army, even if that condition changes somehow later. Any other oddity, such as re-animated corpse The Mountain, or being in control of one's actions like Benjen Stark, does not count. The Night King and other White Walkers are NOT considered wights.

### Instructions:

1. Predict if each character will be alive or dead at the end of season 8. 1 point for each correct answer.
2. You have the option to predict if they become a Wight during the season. Gain one extra point if they become a Wight but lose one point if you predict their status incorrectly. If Wights somehow revert back to living (unlikely, right?), that will count as both "Wight" and "Lives".
3. Correctly answer tie-breaker questions to help reduce ties.
4. Submit pool entries per person by the deadline. April 14th is the premiere.
